BUDGET COMMITTEE REPORT

The Board of Selectmen having offered to cooperate in having this report printed with the annual report of the town, I hereby offer the following:

Estimated Routine expenses for the ensuing year are approximately the same as for 1947 except the Cemeteries Item which was increased to \$500.00, and Town Maintenance - Winter which was increased to \$5,000.00, over \$4,000.00 having already been spent since Jan. 1.

Among the new articles approved were the following: To purchase equipment for the Highway Department, \$1,500.00; Street Lights, \$530.00; for a proposed Park Dept., \$500.00; for expense of Water Committee, \$300.00; for Audit of the Town Accounts, \$500.00.

Approval was also given a series of articles concerning the Firemen's Association Building with the understanding that no approval of an appropriation was sought.

The proposed expenditures of the Beach Precinct were approved as a matter of form.

The School District Budget was approved as submitted plus the two extra articles, namely — to furnish Heat and Water to the South School, \$5,000.00, and to furnish transportation to the High school pupils with no amount stated.

For the convenience of the voter — I have requested the Selectmen to add the line "Approved by the Budget Committee," and the amount so approved under the separate articles. Also to read "Not approved by Budget Committee" under those articles which were not approved.

The Budget Committee is grateful for the cooperation of the Town Officials in making up this year's budget.

ROBIE M. BECKMAN,
Chairman.

AUDITOR'S REPORT

I have this day examined the Town Clerk's, Tax Collector's and Treasurer's accounts to the best of my ability.

I find them well vouched and correctly cast with a
Town balance of \$5,077.54
Spec. Federal Loan Balance 2,700.00
or a total balance of \$7,777.54

I find said Town Officers fully bonded.

Signed : Edgar P. Dow,

Auditor, Town of Seabrook, N. H.

You will note in the list of Fire Equipment owned by the Town that two new trucks have been added this year.

The first is the "Tanker" so called, the Town raised \$2,250 at the last Town meeting but this figure was not quite enough to complete this valuable piece of equipment so donations were asked and the people of this and near by towns responded very favorably. The Barton front-end pump with which this truck is equipped is a gift to the Town by the firemen.

The second new truck added is the new "Buffalo" for which we have waited so long. This is a modern piece of Fire fighting equipment and is one of the best in this vicinity. It is the wish of the Department that we may never have to press it into service at a fire but you may be assured that if needed it will respond with a capable group of men as we are following the instructions of the Buffalo Fire Equipment Co., builders of this truck and are practicing with this kit each week end and at other times that the men may have the spare time.

We feel that with this new equipment we have a very good Fire Department for a town this size and we will strive to keep it so.

In closing I wish to thank the members of the Fire Departments of surrounding towns, the Selectmen and all the people of this town who so willingly helped this department through its busiest year since it was established.

Respectfully submitted,

Henry Kendrick, Chief
